Re: Michigan Freedom of Information Act Request

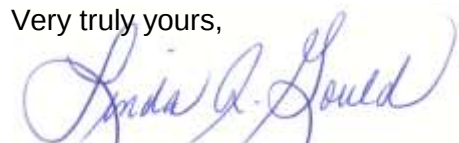

Dear Mr. Purvis:

Regarding your email clarification to me on June 11, 2013, please be advised that we are not in possession of the requested documents to which you referred in your FOIA request as this project was bid through Oakland Schools, not through Clawson Public Schools.

The board passed the following resolution at its May 2013 board meeting: "Resolved that the Clawson Board of Education approves the video system upgrade using funds from the Technology Bond in an amount not to exceed \$157,929.38." I am attaching overviews of the presentation that was given at the board meeting by Technology Director, Ryan Velzy of Oakland Schools. Mr. Velzy has advised me that a contract has not yet been signed with ROK Systems and Oakland Schools.

Therefore, in order for you to get copies of the documents you requested, "all agreements and contracts between Clawson Public Schools and ROK Systems, Inc, the bidding summary and the original RFP for the project", you will need to send a FOIA request to Oakland Schools, 2111 Pontiac Lake Road, Waterford, MI, 48328.

Very truly yours,

Linda A. Gould, Executive Assistant
FOIA Coordinator
